

Osgood ADA/Title VI Goals & Accomplishments

Goal	Cost	Status
<p>Osgood has made substantial upgrades to Buckeye Street (SR 421) running through central Osgood at the communities expense. These upgrades include ADA upgrades to sidewalks, ramps, and intersections bringing this section of the community into ADA compliance.</p>	<p>\$3.9 M</p>	<p>Completed</p>
<p>Complete Title VI Implementation Plan</p>		<p>Completed</p>
<p>Complete ADA Transition Plan</p>		<p>Active</p>
<p>2017/2018 Community Crossing Grant Application: Walnut Street and Side Streets: This area of Osgood is largely residential with the Town Hall and Town Library sitting on Walnut Street. Both Walnut St. and the listed side streets are well traveled by automotive and pedestrian traffic emphasizing the need for the road, drainage, and ADA upgrades. All sidewalks and ramps south of the Railroad tracks will be brought into ADA compliance with approval of the grant.</p>	<p>TBD</p>	<p>Active</p>
<p>Continued upgrades to ramps and sidewalks as funds allow. Osgood hopes to use Community Crossings grants in the future to assist with these upgrades in conjunction with street/paving projects.</p>	<p>TBD</p>	<p>TBD</p>
